

Remember before technology & GPS we used to pull out the map! Times sure have changed.

We want to lay out a simple step-by-step plan to get you from where you are today to Diamond.

Why?

So you can share in every sale made in the company, from every member in the United States and from every member Internationally. Imagine thousands, & hundreds of thousands, to even millions of memberships & product orders from around the world!!

Our qualifications are the lowest in the industry to achieve sharing in our monthly Global Bonus Pool!

Here are the 3 requirement steps for Diamond:

- 1) Have a personal 90 cv order

2) Have 10k in monthly group volume

3) Have 12 personals ordering at Platinum level (90 cv)

There are 3 ranks before Diamond: Silver, Gold, and Platinum. You can upgrade your auto ship as you move through the 3 ranks, however, we have members join, start sponsoring, and achieve Platinum in a day or two. If this sounds like your speed; go ahead and start at the Platinum level with 3 products of your choice, nutritional and/or digital. Then you don't have to worry about missing any coded bonuses!!!

**Silver** is 30 cv (1 product). Your 3rd & 4th personals are in your Silver code.

**Gold** is 60 cv (2 products). Before you sponsor your 5th personal, you want to be at Gold. Your 5th, 6th, 7th & 8th personals are in your Gold code.

**Platinum** is 90 cv (3 products). Before you sponsor your 9th personal, you want to be at Platinum. Every personal from your 9<sup>th</sup> on is in your Platinum code.

**NOTE:** The highest, all-time income earner in the industry, made over a million dollars a month for several years with coded bonuses. That company only had 4 codes we have 8 codes. These codes pay you to infinity, millions of levels deep. Refer to full compensation plan for details.

The next step is to increase your personal group volume to 10,000 monthly and continue sponsoring until you have 12 personals on 90 cv orders.

For example: 100 members in your Platinum coded group would be 90cv, plus 10cv from memberships, would equal 10,000 in volume!!

143 people at only 60 cv, plus 10cv from memberships = 10,000

See what we mean? VERY doable!! These are super low qualifications and achievable for Diamond.

Of course, on our journey to Diamond, you will enjoy earning on all the rest of the pay plan!

Including Fast Start Bonuses & Codes, Monthly Product Coded Bonuses, 50% Check Match on all your personals from matrix membership, & Lifestyle Bonuses!!

Think of this as a trip where you get paid on the way to your destination!!!

We look forward to cheering you on to the finish line!!

Go Diamond!!!

In your service
