

Just as Beyond Infinity offers you multiple streams of income, our private investments offer the company multiple streams of income that we share with our members.

Welcome to the  
Passive Profits Project

# PASSIVE PROFITS PROJET

The Passive Profits Project (PPP) is another exciting passive income solution with Beyond Infinity. We do not use the term “earn” because you are truly just receiving a real passive income and the only active action on your part is to make a contribution to our Marketing Campaigns #2.

# PASSIVE REWARDS

## Welcome

Rewards

When contributions are made to our Marketing Campaigns #2, we take the bulk of these contributions and place them into our new private investment. Please remember, we are not investing for our members and our members are not investors. We are just sharing the profits made from the company's private investments with our members. However, you will only have to wait for a period of 12 weeks to start receiving what we are calling "Reward Units." These Reward Units are our way of saying "Thank you" for your contribution and you will receive these rewards 4 times, per Group.

As an additional "Thank You," your initial contribution will be added to your BIG Account as a deposit, in numbers only, which means that it is also not withdrawable. However, this will allow your BIG Balance to continue to grow with additional deposits. The Passive Profits Project works in Groups, each with a unique name, and each group is composed of \$30,000 worth of units. Your contributions for these units will be in increments of \$500, all the way up to \$30,000.

Each time a group has reached \$30,000, we will start a new group. And there is no limit on the number of contributions you can make. If just two members contributed \$15,000 each, then that group would close, and the next one will open. So, it is not based on the number of members who contribute to each group, but it is based on when a group receives \$30,000.

# REWARD UNITS

The Reward Units will be given at the end of every 12 weeks, as shown in the calculator screenshot below. Let us take a look at the following example below to see how this all works.

Group Atlas-001 - \$30,000

At the end of the first 12 weeks, each contributor in that Group will receive 1 time the amount of their contribution in their PPP Wallet which can then be transferred to their Internal Wallet for withdrawal.

## FOUR PERIODS OF 12 WEEKS EACH

### PERIOD 1 - first 12 weeks

At the End of the first 12 weeks, you will receive 1 time the amount of your contribution to your PPP Wallet - \$500

### PERIOD 2 - second 12 weeks

At the End of the second 12 weeks, you will receive 7 times the amount of your contribution to your PPP Wallet - \$3,500

### PERIOD 3 - third 12 weeks

At the End of the third 12 weeks, you will receive 70 times the amount of your contribution to your PPP Wallet - \$35,000

### PERIOD 4 - fourth 12 weeks

At the End of the fourth 12 weeks, you will receive 700 times the amount of your contribution to your PPP Wallet - \$350,000

Period	06/12/24	X Factor	Unit Payout	Unit Match	Group Payout	Group Match
1	09/04/24	1	\$500	\$250	\$30,000	\$15,000
2	11/27/24	7	\$3,500	\$1,750	\$210,000	\$105,000

The Reward unit Calculator for Contributions

# Sponsor **REWARD**

In a total of 48 weeks, 4 periods of 12 weeks each, you will have received \$389,000, all for a one-time contribution of \$500!

As a participating sponsor of a qualified personal referral who also makes a contribution to the Passive Profits Project, you will receive a 50% Match on what they receive.

What this means is that once a Group is closed because it has collected \$30,000 in contributions, the first payout would not occur for 12 weeks. This means that if you, as the sponsor of any participant in the Passive Profits Project, joins an open group before that 12 week period ends, then you are eligible for the match.

Also, if you, as the sponsor, happen to be in a closed group that is waiting for the first 12 week payout, then you are eligible to receive the match when your referral receives their first payout.

And once all 4 payouts have occurred, then you, as a sponsor, would have to participate again, to receive a match. However, you could be in several groups, open or closed, but as long as you are involved with the PPP, in an open or closed group that is awaiting their Reward Units, then you are eligible.

Please Note: This is NOT an investment for the members, and we are not investing the money for our members. We are investing the money for the company and sharing the profits with our members, as a Thank You for making a contribution to our Marketing Campaigns.
