Tip : When signing up you have to click on Agree to Terms of Use in order for

the payment buttons to become live.

You could start receiving payments within minutes from now with this one. Payments are paid directly to you, with no admin fees. There are a few extras you can buy but you don't need them in order to get paid.

2. My second choice on how to earn money online fast allows you to build your list while getting instant payments. There are many reasons why you would want to build a list in order to make money online. Building trust, higher conversions, and higher click-through rates are just a few. This site gives you an email campaign with **32 follow-up messages** and shows you step by step how to set up the campaign. It also allows you to get paid in several different ways.

You will want to make sure you set up the email campaign, you will find this in the referral links area once you have signed up.

3. My third choice is to use one of the free programs below to build your list and follow the emails you get when you sign up. You can also create your own emails and use them to promote fast-paying sites. The reason I suggest these programs is they allow you to build your list fast on autopilot. Just click on the images to find out more information about each program.
